

Tauranga Boys' College NEWSLETTER

Friday 19th May 2017

Dear Parents, Caregivers & Friends of the College

Thank you to all parents and caregivers who have supported their sons' learning last week at the Junior Parent/Teacher interviews. These opportunities have been really well-supported by parents and I know your sons will benefit from your interest and support in their learning and achievement progress.

A partnership between the school and parents/whanau is essential for your sons to achieve their academic potential.

SENIOR ASSESSMENT WEEK

I draw your attention to the important week in the academic calendar for your sons - the Senior Assessment Week which begins Monday 12th June. Following this, Senior Reports will be emailed on 28th June updating you on your sons' progress and achievement.

SENIOR PARENT / TEACHER INTERVIEWS

These take place on Thursday 6th July in the School Gymnasium. Bookings for these interviews will go on-line mid-June.

STUDENT REPORTS

Please note that as previously advised, reports will be sent out electronically and available through the parent portal on the College website. The reports will not be sent by mail as has occurred previously.

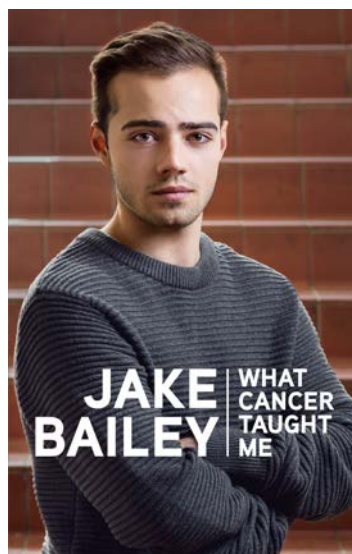

Please advise the College Office if you still wish to receive a printed copy of your son's report. Note that if you have concerns about your son's progress in specific subjects then you can email the class teacher or the tutor at the appropriate year level. Junior Reports are due out on 4th August.

*Ian Stuart
Acting Principal*

On Thursday morning 11th May, Mike King spoke to both the Junior and Senior Assemblies about Mental Health Issues and Addiction.

Mike was very engaging, entertaining and had a very clear message of "asking for help", "looking after your friends" and "where you can get help from when facing a range of challenges".

**BE GALLANT, BE
GREAT, BE
GRACIOUS, BE
GRATEFUL**

Jake Bailey, Christchurch Boys' High School's 2015 Head Boy, spoke to a packed auditorium in the Graham Young Youth Theatre today. Jake talked about his journey since giving his famous School Leavers Speech, after being diagnosed with cancer and being told he had 3 weeks to live without treatment. Jake is on a promotional tour of the country with his book "What Cancer Taught Me", raising funds for Waipuna Hospice.

CONGRATULATIONS

**Underwater Hockey**

Congratulations to **Guy Roberts** (pictured above) for being named in the U19 NZ Men's team for the 4th CMAS Age Group World Championships to be held in Hobart in July. Guy joins the 11 other players selected from across New Zealand to compete to reclaim our status of two years ago – the best in the world! We wish Guy and the team all the very best with their further training and in the competition itself. We also look forward to watching the play Live in action on underwater cameras as it is streamed live from Hobart through YouTube.

Karate

Ashton Carter (pictured right) recently completed in the Auckland Secondary Schools' Championships and won his Kata Division. This is continuing his success at the Australian JKF National Championships and Australian Open last month. Ashton is seeking selection to the National Team to represent New Zealand in the 9th Commonwealth Karate Championships to be held in Durban, South Africa, in August this year.

WORK DAY THANKS

My thanks to all our boys, parents and the wider community for the support shown for our annual Work Day, held last Friday 12 May. Our boys have responded really well to this opportunity to provide service to the College. Funds raised from the Work Day will be used to provide additional filtered water stations, ICT equipment, lunchtime sports equipment and Arts equipment.
