CRICKET

The 2016/17 season was highlighted by two two fantastic achievements.

For the first time TBC entered our 3rd XI side in the WBOP 'B' Grade competition. The 3rd XI was made up of predominantly Year 10 2016 students moving into Year 11 this year. Player/coaches Grant Manners (Term 4 2016) and Shaun Fisher (Term 1 2017) rallied the boys together well throughout the season in a grade where none of the boys had played against adults previously.

TBC made their way through to the final where they decimated Singh XI by rolling them for 84 and knocking off the total with 6 wickets in hand.

Our NZCT side faltered at the very last hurdle in losing to Hamilton Boys' High School. Had we won that fixture we would have had another side in the National Tournament.

The other superb achievement came in the form of our Cooney Lees Morgan TBC 1st XI who qualified for the National Secondary Schools 1st XI Cup to be held in December this year by winning the week long Northern Districts 1st XI Cup held in Hamilton. For those of you that are unaware, the National tournament is made up of only 6 teams (one side from each major association).

On Monday we bowled Whangarei BHS out for 46. Rhys Mischewski stole the show with 6/12. The runs were easily knocked off inside 12 overs.

https://www.crichq.com/#matches/499273/1st_innings

On Tuesday Hillcrest put us into bat and we responded with 232/6. Marcel Collett top scored with 62. In reply Hillcrest were bowled out for 76 with wickets shared around.

Wednesday was unfortunately a washout.

Yesterday we faced St Paul's at their home ground. Batting first TBC made 217 with Collett again top scoring with 63 and Dom Crombie 46. St Paul's could only make

Tauranga Boys' College Titans Sport Quarterly Newsletter

Term One, 2017

161 against a determined side. Tas Carsons took 3/29 off ten overs and removed their key batsman with an excellent boundary catch.

https://www.crichq.com/#matches/499976/1st_innings

The boys capped off a fantastic week with a comprehensive victory over Hamilton BHS today. TBC were put in to bat and responded with 190 of our 50 overs. Finn Sears 51 and Dom Crombie 47 lead the way. In reply Hamilton BHS could only muster 103. Brad Howard 2/6 and Craig Baldry 2/30 and 4 run outs capped a magnificent fielding effort. Captain Mikaere Leef lead by example.

Great work boys!! A fantastic way to end the season!

Outside of senior mens cricket the mighty Cavaliers side made up of Year 13 students who have played together as a side since Year 9 swept aside all in their path throughout the season to cement an early berth in the grand final only to be stunned by Western Heights who won by 3 wickets in Rotorua. The other Div 2 side Sabina performed solidly throughout the season.

We have three even ability '4th XI' sides who play against all other WBOP 1st or 2nd XI sides. Additionally our Year 9 'A' side, TBC Colts, also played in this competition. All teams enjoyed success throughout the term – however the key at this level of competition as far as the school is concerned is that the boys get plenty of opportunities to bat and bowl and that player development comes first and foremost as opposed to out and out success.

Our Div 3 sides Hagley, Wanderers and Lords also enjoyed some real success and it was fantastic to see 5 players from these sides be given the opportunity to play in the TBC Colts side in Div 1 to 'grow' our depth.

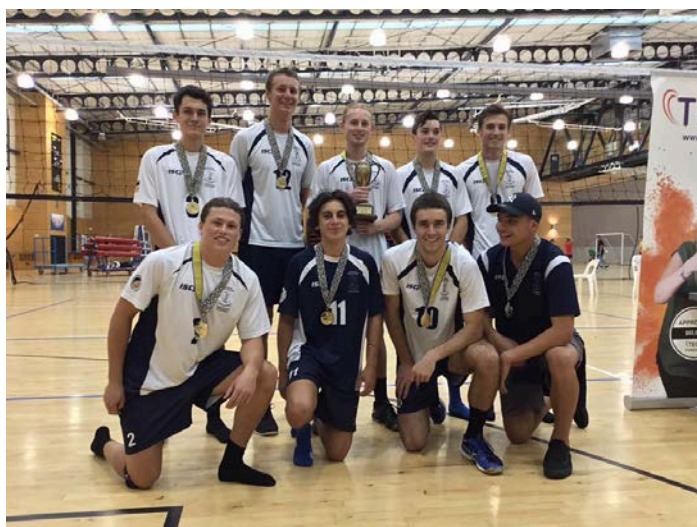

Congratulations again to our 3rd XI and Cooney Lees Morgan 1st XI for their wonderful achievements. It leaves cricket at TBC in a very strong position and we are all very much looking forward to next season, in particular with the National 1st XI Cup tournament held in Christchurch in December.

VOLLEYBALL

Senior A

The Senior A Volleyball team has had an awesome season to say the least. We started off by competing in the annual Super 8 schools competition in Napier. We were able to dominate every team we faced, winning all our pool play games 3-0, winning our semi against Palmerston North 3-0 and eventually taking out the final against Gisborne 3-0 which was a very pleasing result and the boys were all stoked. To finish off the tournament win we also had Kyle Hamilton named in the tournament team alongside Josh Martin and Ryan Forlong who was also awarded M.V.P. for Super 8 2017.

Our next goal was to win Bay Champs which had proven a difficult task over the last 5 years to take out with the Bay Of Plenty holding a very strong volleyball reputation. Having not lost a game all season, we were confident and were beginning to gel really well as a team which is a large component of any team sport but in volleyball especially is it very valuable. We won all of our games in Bay Champs aside from one loss to Western Heights Senior A who are always our main rivals. WHHS A have won Bay Champs for the last 5 years so it was only appropriate that we were to play them in the final. For the first time in 5 years TBC A were able to take it out, grinding out a 3-2 win against arguably one of the best teams in the country which was one of the highlights of the season for a lot of the boys.

Our Bay Champs win placed us as 1st seed for NZSS held in Palmerston North. After a long day travelling they boys struggled to kick into gear on the first day, winning both games but not performing the best they could have, which is only normal at a tournament like this. We ended up winning all 3 pool games against Marlborough Boys, Nelson Boys and Mount Maunganui College comfortably to progress to the crossover stages. Here we played Tikipunga, Rangitoto and Gisborne and won all 3 games to move into the business end of the tournament, Quarter Finals.

At 8am on Thursday morning we came up against Waimea in a do or die match. The quarter finals have proved to be a very difficult match for TBC over the last couple years where we have been knocked out. However, this year we weren't going to let that happen! The boys got up and were able to bring the noise to a very quiet gym winning the game 3-0. Time to focus as we now faced a very loud and extremely talented Manurewa team in the Semifinals later that night. We were able to take out the first set in a tight finish but when it came to the crucial stages we let ourselves down with basic errors and mistakes that cost us the game simply being outplayed by, to be fair, a very impressive Manurewa side who were the eventual winners of the tournament. This was upsetting for the whole team, especially the year 13s but we have full faith that the

Term One, 2017

boys will front up and learn from this to take it out next year. We finished as 4th place in New Zealand, losing the 3rd and 4th playoff to our old mates Western Heights.

As captain of the 2017 Senior A, I am very proud of what the boys have achieved this year and even though we fell short of our goal we certainly improved as the season went on and were still able to bring home a few trophies. The highlight this year for the team was definitely taking out Bay Champs and personally I was humbled to be named in the Tournament team at Nationals.

Thank you to all the parents for the support and most importantly to our coach Ben Ormsby and our manager/video analyzer/nutritionist/personal trainer and physio - Pere Dury.

We also have 3 boys (Callum Philpott, Kyle Hamilton and Ryan Forlong) heading down to Wellington in the holidays who have been asked to trial for the NZL Youth Men's team travelling to the US High performance Champs in July if they are successful. We also have Sam Henderson, Quaid Forbes and Hoani Lawrence that have been named to play in the U19 NZL beach squad travelling to L.A. in July, best of luck to these boys.

Cheers, Ryan Forlong

The final tie of the tournament was against number 1 seeds, Palmerston North Boys' High School. Potts and Crowther played exceptional tennis at 1 and 2 respectively, to put Palmerston on the back foot. Loomb fought hard for a three set victory at number 3 giving Tauranga Boys' a great advantage going in to the doubles. The doubles combinations of Potts/Crowther

and Darling/Currie then completed the job ensuring the Super 8 trophy would be in the van back to Tauranga.

In the first of the traditional exchanges, a six man squad consisting of Caelan Potts, Jackson Loomb, Lucas Darling, Jackson Currie, Liam Roberts and Hamish Roberts defeated strong rivals Westlake Boys' High School by 10 matches to 5 in a convincing display of tennis.

TENNIS

Senior A

The 2017 season began with the Bay of Plenty Secondary Schools Champs. Caelan Potts set the scene by winning the singles title in convincing fashion while Hamish and Liam Roberts combined to take out the doubles title.

This was closely followed by the New Zealand Super 8 Tournament, hosted by New Plymouth Boys' High School. Unfortunately two of the Super 8 teams were not represented this year, however Francis Douglas was invited to compete for the year and provided strong opposition for the first day. Although the matches were close, the final result was a pleasing 6-nil to Tauranga.

Day two began with an impressive 5-1 victory against Hamilton Boys' High School, giving Tauranga Boys' top place in the pool. In the semi final Tauranga met Napier Boys' High School in a tie that would not only provide a finals berth but also doubled as a qualifying match for the Secondary School Nationals. Outstanding singles matches from Caelan Potts, Corban Crowther, Jackson Loomb and Jackson Currie gave the team an unassailable 4-0 lead meaning that the doubles were not required.

Associate Sponsors: Bakers Delight, Barclay's Engravers, NZ Plumbing Works, Stewart Browne Group, Santa Fe Shutters, WH Kelly Ltd, Furnish

In the second traditional, Tauranga Boys' proved too strong for Kelston Boys' High School, winning all 12 matches.

The final event on the calendar was the New Zealand Secondary School Nationals. Due to the length of time required for each tie, the qualifying process is extremely demanding and only the top 8 teams in New Zealand make it through.

Tauranga Boys' College Titans Sport

Quarterly Newsletter

Term One, 2017

Tauranga Boys' were unfortunate in drawing the eventual winners and runners-up in the first two ties, losing both 6-nil. The third tie was a disappointing loss to Auckland Grammar, however this galvanised the team and resulted in two superb wins over Westlake Boys' High School and Hamilton Boys' High School.

With such a young team, 6th place in New Zealand was an outstanding achievement and creates a great platform from which to move forward.

Overall, 2017 was a brilliant season and the start of what promises to be an exciting few years ahead.

Team: Caelan Potts, Corban Crowther, Jackson LOMB, Lucas Darling and Jackson Currie.

Captain: Jackson Currie

Manager: Wayne Merritt

ROWING

Tauranga Boys' College has competed in 4 rowing regattas this Term. The first being Head of Harbour Regatta in Auckland. This saw the squad returning home with Bronze Medals in two events.

Kyle Fogarty-Anderson is an U16 but rowed up in the U17 Single Sculls and ended up winning a Bronze Medal. The U17 coxed 8 also managed to win a Bronze Medal. They also rowed up in an U18 8 and got 7th place.

The Mercury Junior Regatta saw the squads gain entry into 3 A Finals and 1 B Final. The North Island Secondary Schools Regatta closely followed this event. This event saw entry into 2 A Finals and 5 B Finals. The U17 4 managed to win the B Final and the U15 Quad got 3rd place in the B Final.

The last regatta on the schedule is the prestigious Maadi Cup Regatta held at Lake Karapiro this year. This is the largest secondary school sporting event in the Southern Hemisphere. It involved the boys being involved in a parade through the township of Cambridge before rowing

began. Results from the Maadi Cup saw the U17 8 having the 8th fastest time in New Zealand, and the U17 4 having the 7th fastest time.

SAILING

The Sailing Team has completed two regattas this season with the Nationals still to take place at the end of April.

On 23rd March they took part in the BOP Regional regatta. Having won the trophy more times than not, the boys were determined to take it off Otumoetai College. During the round robin the TBC Team won every race. The finals (best of three races) took place between Oats and the TBC Team won the first two races to bring back the trophy.

1st TBC
2nd Oats
3rd Aquinas 'A'

The Central North Islands, three-day regatta took place in Taupo.

14 Teams were split into two flights. After the first days racing, TBC were top of their flight securing them in Gold Fleet. The following two days the round robins were repeated, but with time running out the positions were taken on the combined score. The boys finished in 3rd position behind the winning local team Tauhare and 1 point behind Napier Boys.

Term One, 2017

CLAY TARGET

The 2017 clay target team is made up of 12 seasoned and 8 new shooters. The talent and determination amongst the newbies is encouraging, so is their positive attitude towards this highly disciplined sport.

The first inter school shoot at Pukekohe in March saw a repeat of last years win in the teams single rise event. This years' victory came after a very tense shoot off. Congratulations to the boys on keeping their nerves and hand steady when it mattered the most. We came second in the teams point score discipline by only 2 points down. Devin Holland had an outstanding day, winning the high gun trophy with 89/90 points. The team captain Hamish Williamson came 7th, Shaun Gwillim achieved a respectable 10th place. The boys are looking forward to the Thames shoot on the last day of term, hoping to again repeat last years win.

L to R Brady Anderson, Joel Edmonds, Hamish Williamson (captain) Shaun Gwillim, Devin Holland (vice captain)

Mitchell Hooker, Benji Rowe, Tom Scott, Adam McKenzie and Jack Preston did a stellar job representing TBC with an outstanding performance. Winning their pool matches against Howick, Hutt International and Rangitoto B they proceeded to the quarterfinals with a bonus point.

The boys were dealt their first loss against Kristin School with a hard fought game but a few calls simply not going their way. The semi-final saw the boys up against the defending champs Auckland Grammar B. A huge game and the boys came up 3-2, meaning they were into the final.

Playing Western Springs in the Final the game started well with TBC gaining a 7-5 lead. In the last couple of minutes however Western Springs scored twice to bring the score to 7 all at full time. A penalty shootout ensued with Daniel Courtis successfully blocking three of four attempted goals and TBC securing the title.

Adam McKenzie was MVP for the tournament and it was with great pride and accomplishment that the team returned to Tauranga. With NZSS next on the list the team has set the goal of top eight.

WATER POLO

Senior

This year saw TBC fielding two teams in the local water polo competition on Thursday nights at Baywave: TBC Big Seniors, coached by Mitchell Gregory and TBC Little Seniors, coached by Brendan Horan. Game time was had against Hamilton Boys, Mount, Aquinas, John Paul and Papamoa College.

Players in both teams developed well as the term progressed and trials for a Senior A team took place in March. The selected team travelled with Mitchell and TIC Justin Brewer to Div II NISS in Auckland during tournament week. The team; Daniel Courtis (goalie), Patrick Burtenshaw, Ross Baldry, Theo Bos, Sam Jones,

TOUCH

The Senior touch team headed to Rotorua after qualifying for the Zonals. The goal, to qualify for Nationals. The boys played well in their first up game winning comfortably against Matamata College, 8-2. This gave the boys some much needed confidence and they were able to continue their winning ways against a competitive and determined Gisborne Boys team, again we came away with the victory winning 6-2.

Game three saw us up against National champs Hamilton Boys. This gave the boys a taste of what Nationals would be like and a good wake up call on complacency, lets just say we went down in that game.

Term One, 2017

With our previous wins, however, we were able to make the playoffs, we played off for 3rd and 4th playing Tokoroa. They boys dug deep and played out of their skins to win that game 6-4.

The Senior Boys Touch Team will travel to Auckland in December to play in the Nationals, qualifying for the first time in a number of years!

Best of luck for this boys!

SWIMMING

These are the results of the TBC boys who were at the National Age Group Swimming Champs, held in Wellington, last week. Some of the boys who didn't get a medal, have their rankings alongside their event. The bracketed number is the age group they were in.

Louis Fitzjohn Yr 9 won 5 Gold and 4 Silver medals including a NZ record in the 100m Butterfly.

Tarquin Magner, Tristan Eiselen, Daniel Shanahan

TRIATHLON

NZSS Triathlon Championships

On Tuesday the 28th of March a small group of 4 boys travelled down to Whanganui to take part in the NZSS Triathlon Champs. Under 19 had the longest Triathlon course of 750m Swim, 20Km Bike (5 laps) and 5.5 Km run (2 laps) with the event village and course centered around the Whanganui river and over 600 athletes competing. There are four events held over 2 days in a combination of disciplines.

On arrival an easy run that afternoon and a solid cycle course practice the following day, we were ready to go...almost. The water quality of the Whanganui river posed a threat to the health and safety of the swimmers as recent storms had turned the water dirty brown and logs and debris floating in the current.

The well prepared event organisers had tested the water quality and with the Coast Guard and other support boats in the water clearing and assisting swimmers as required it was all go for the race days. Rain caused slippery conditions on the first day.

U14 NZ Surf Life Saving Champs (Oceans '17) 2-5 March 2017 @ Mt Maunganui

Daniel Shanahan won 5 Gold medals, 1 silver and 1 bronze at the Nationals in the U14 age group.

Tarquin Magner also won 3 Golds and a bronze in the U13 age group.

Both boys won their respective Surf Race and Run Swim Run, and they combined to win the U14 Tube Rescue. They were also part of the Board Relay team that won Bronze in the Board Relay.

Right: Tarquin Magner & Daniel Shanahan

Daniel also added the Diamond Race and was part of the Board Rescue pair who won Gold. He was also part of the team that won the Silver in the Grand Cameron.

Mount Maunganui Lifeguard Service also won the overall trophy, and other TBC boys involved were Matthew Wagstaff and Shea McKenzie.

THIS MONTH'S GOLD SPONSOR:

YOU Travel Celebrates 1st Birthday Milestones

One year on from their rebrand, YOU Travel Bethlehem, Mount Maunganui and Katikati are celebrating having won a number of prestigious national and regional awards. This includes the coveted 2016 Westpac Tauranga Business Award for Retail Excellence (Large Business) and 2016 TAANZ National Travel Industry Award for Best Brand Multi Location.

"We are thrilled to have had our most successful year yet and we are planning even more for 2017", said YOU Travel Managing Director, Kay Rogers. "A huge thanks must go to our 30 talented staff and thousands of valued clients that make all this possible."

YOU Travel Director, Catherine Membrey said "We are completely focused on helping our customers "embrace life" through travel and it drives us every day to be proactive and innovative. This covers all aspects of our business, including our long term sponsorships.

"A highlight for me this year was the cruise ship visit we organised for our local charity, Homes of Hope. We wanted to give the 21 children, carer's and staff a unique experience to make them feel special. The joy on those children's faces was just so wonderful."

YOU Travel are also long term sponsors of the Export NZ BOP Awards, Tarnished Frocks & Diva's, Team Local, Westpac Tauranga Business Awards, Tauranga Boys College Titans Sport, plus various other schools and organisations across the Bay of Plenty.

Ms Rogers commented "It was a huge milestone for us to take out a major award at the Westpac Tauranga Business Awards. The competition was extremely high, so that made it even more rewarding for us. This particular award shows that we are leaders in the competitive retail market, not just the travel industry."

The YOU Travel Bethlehem team have also just won the GO Holidays Top Store Award at the annual conference held at the end of March. This is the third year in a row the store has achieved this result against all brands nationwide, along with the prestigious placing in the overall TOP 10 for the First Travel Group.

Kay Rogers & Catherine Membrey (bottom left) celebrating at the Westpac Tauranga Business Awards with partners, staff and clients.

First Travel Group General Manager Retail, John Willson said "Kay and Catherine have always tried to anticipate what their clients want and excel in delivering every time. That dedication to the very highest level of service has meant that awards are an end result. They do not focus on winning awards, they focus on their staff and customers - and that is the reason for their well-earned success."

Ms Membrey said "To up the ante yet again for our clients, we will be opening a brand new Mount Maunganui store later this year. Just like our cutting edge Bethlehem store, it will be designed to maximise the staff and customer experience and you will notice the difference as soon as you walk in the door. We are very excited to bring this revolutionary space to the Bay...so watch this space!"
