FEES PROTECTION POLICY – International Students

Rationale

International Student fees must be handled in a way that ensures those funds are accessed in a way that is consistent with normal accounting practice. This means that those funds are secure from misappropriation and are only made available to the school in accord with the Refunds Policy or should the school not be able to continue tuition.

Purpose

1. To ensure that if in the event that the school is unable to continue to run a course or programme that the unspent portion of the fees are available to be returned to the student.
2. To ensure that funds from international students are accounted for separately and in such a way that individual student contributions can be protected and monitored.
3. To ensure that international students' payment may be drawn down in accord with the Refund Policy.

Guidelines

1. Accounting procedures are in place to ensure that monies are available for release.
2. International fees shall be paid into the school's '**Investment Account**' for 'Foreign Fees', and drawn down at intervals of one term in arrears throughout the academic year.
3. These monies will be audited separately on an annual basis.
 - These monies will be available for approved refunds resulting from withdrawal from Tauranga Boys' College or in the event of the College not being able to provide tuition.

- If the application for refund is made before the start of the course, fees will be refunded less:
 - a) An administration fee
 - b) Costs to the school already incurred for tuition
 - c) Components of the free already committed for the duration of the course, including appropriate portions of salaries of teachers and support staff (if applicable)

Tauranga Boys' College Trips and Over Night Camps

Introduction:

Learning experiences outside of the classroom complements the regular school programme. It provides opportunities for learning, different from those in the classroom. It puts the students directly in touch with nature, and helps them recognise and value relationships within the natural environment and, through this, the importance of conservation.

Here at Tauranga Boys' College we provide unique opportunities for International students that many students would otherwise be unable to experience. Usually international students attend the camps/trips that relate to their current course, which in most cases is the subject Outdoor Education. At times, however, we find that International students wish to be involved in other curriculum camps/trips in their varying subjects. Also students have the opportunity to go on overnight trips and holidays with their homestay families, this may also include overnight stays with an approved family to allow your son to stay the night with a kiwi friend or another homestay family. We ask that you complete the following health and consent form below.

By signing the form, this acts as parental permission for all Curriculum, Sport and Art related trips/camps here at Tauranga Boys' College and overnight trips and holidays away with your son's Homestay. This may include but is not limited to:

Sea/Surf Kayaking, Skiing/Snowboarding, Kite Surfing, Tramping below the Bush line, Alpine Tramping, Mt Biking, Snorkeling, Surfing, Outdoor Adventure games, Rock Climbing, Off-site local trips, Off-site regional trips/camps, sports events/games, recreational activities.

- I agree that if prescribed medication needs to be administered, a designated adult will be assigned to do this. I will ensure that prescribed medication is clearly labelled, securely fastened and handed to the designated adult with instructions on its administration.
- I will inform the school as soon as possible of any changes in the medical or other circumstances between now and the commencement of the event.
- I agree to my child receiving any emergency medical, dental, or surgical treatment, including anesthetic or blood transfusion, as considered necessary by the medical authorities present.
- Any medical costs not covered by ACC or a community service card will be paid by me (caregiver).
- If my son is involved in a serious disciplinary problem, including the use of illegal substances and/or alcohol, or actions that threaten the safety of others, he may be interviewed by appropriate staff and caregivers will be informed of any action taken.

ACKNOWLEDGEMENT OF RISK

I understand that there are risks associated with involvement in school trips/camps and that these risks cannot be completely eliminated. I understand that the school will identify any foreseeable risks or hazards and implement correct management procedures to eliminate, isolate or minimise those hazards. I understand my child has been informed of these safety procedures.

I know that I am able to ask any questions of the school about the activities my child will be involved in, to gain a better understanding of the risks involved. I recognise that participation in such activities is voluntary and not mandatory through a 'challenge by choice'* procedure. My child and I both understand that they may withdraw from an activity if they feel at risk. This must be done in consultation with the person in charge.

I understand that the school does not accept responsibility for loss or damage to personal property and that it is my responsibility to check my own insurance policy.

*** 'challenge by choice' means the participant chooses their own level of challenge within a supportive peer environment.**
