**Date:**

*(family members unable to complete referee questionnaire)*

---

1. Do you know if this family has hosted international students in the past, if yes from which organisation?
2. What do you see as the main strengths this family has in relation to hosting a student?
3. Would the family be inclusive of international students, please explain how?
4. What activities or groups are the family involved in outside of school:
5. To your knowledge does either parent need to stay away from home often? E.g. work / business/ family. If yes, please give reasons.
6. Would you be happy to place your child in this home? If yes, please elaborate.
7. Any other supportive comments please add here:

Thank you for your time.
