

BUILDING CHAMPIONS, TOGETHER

THE ROLE OF THE TITANS TRUST

Sport at our school is more than just a game — it's about character, personal growth, and community. The Titans Trust, a passionate group of **Old Boys and parents**, work behind the scenes to make this a reality for every student.

Their purpose is simple: To support experiences that help our athletes grow and succeed. Their vision is to guarantee a quality sporting experience for every student, no matter their involvement level.

HERE'S HOW THEY MAKE A DIFFERENCE:

- **Supporting Our People:** They recognise the hard work of our TBC staff, celebrate our national representatives, and offer crucial financial support, so all our boys can participate and thrive.
- **Enhancing Our Programmes:** With their funding, we're able to offer a top-tier Athlete Development programme, complete with experts in strength and conditioning, mental skills, and nutrition. They also make travelling to events more accessible for all families by covering 50% of travel costs.
- **Investing in Our Future:** The Trust helps fund upgrades to our facilities and supports our sports leadership model, ensuring our major codes have the resources they need to succeed.

The Titans Trust is a true partner in our mission, and their work directly benefits the entire school community.

WHY DO OUR TRUSTEES DO THIS

“ I saw it as a way of giving back to the school for the experiences that I had, with the hope that my son will be able to benefit from the impressive sporting environment. ”

“ ...giving back to the school and community that shaped me. Being involved with the Trust has opened my eyes to just how many moving parts go into making sport at TBC happen, and how much of that is powered by generosity behind the scene. ”

“ Some of the most rewarding moments in this role are the thank you letters, a parent reaching out to say their son could be involved thanks to a support grant, a coach grateful for the acknowledgement that came with a small thank you, a student writing to say it felt great to be included. ”
